Dear

RE: INVITATION TO ANIMAL PRODUCTION SOCIETY OF KENYA (APSK) ANNUAL SCIENTIFIC SYMPOSIUM FOR THE YEAR 2019

I am writing to inform and invite you to the upcoming Animal Production Society of Kenya (2019) Annual Scientific Symposium and Exhibition. This meeting will be held in April 9-11, 2019 at hotel Waterbuck, Nakuru and the theme is **“Livestock Transformation Agenda: Towards Climate Smart Livestock Production Systems”**.

Specifically, the symposium will provide a platform for stakeholders to share their work and help shape the emerging national agenda on a wide range of livestock production issues. The timing and subject are critical, coming at a time when Kenya – through the **BIG FOUR AGENDA** - seeks to balance overall economic growth with the challenges of feeding a growing population. We are committed to elevating the conversation at the symposium beyond theoretical discourse to focus on actionable areas for the benefit of Kenyan people.

We regret that funding for travel and other related expenses is the responsibility of the symposium participants. Symposium fees of Kshs 17,000 is required to participate in the scientific meeting as detailed below.

Item	Cost (Kshs)
Symposium registration fee	11,000
Annual subscription fee	6,000
Total cost (Kshs)	17,000

We look forward to seeing you in Nakuru.

Yours Sincerely,

Samuel M. Mbuku, PhD
CHAIRMAN, APSK
